Heralding a paradigm shift in movement of goods from one State to another, trial run for e-way bills under the current GST regime was started on 16th January 2018 for the entire country.

A total of **10,96,905** taxpayers have registered on e-Way Bill Portal till date. E-way Bill can be generated through various modes like Web (Online), Android App, SMS, using Bulk Upload Tool and API based site to site integration etc. Consolidated e-way Bill can be generated by transporters for vehicle carrying multiple consignments.

Transporters can create multiple Sub-Users and allocate roles to them. This way large transporters can declare their various offices as sub-users.

There is a provision for cancellation of e-way Bill within 24 hours by the person who has generated the e-way Bill. The recipient can also reject the e-way Bill within validity period of e-way bill or 72 hours of generation of the e-way bill by the consignor whichever is earlier.
